PANETTONE PUDDING

Serves 2

INGREDIENTS

— Available at Mediterranean Foods

- 1 large egg
- 25g unsalted butter
- 2 tbsp single cream
- 125g fresh strawberries
- 2 thick slices of stale [panettone](#)
- 1-2 tbsp icing sugar

METHOD

1. Beat the egg in a large, flat-bottomed dish and stir in the cream. Dip the slices of panettone into the egg mixture and turn them several times so they are thoroughly coated.
2. Once the egg mixture has been completely absorbed, heat the butter in a frying pan and, once hot, add the slices of panettone. Cook until golden and crispy on one side, then flip it over and cook for another few minutes on the other side, again until crisp.
3. Once cooked, arrange the slices on a serving plate with the strawberries and dust generously with icing sugar. Serve immediately.

Buon Appetito!
